Education

- Williams College, 2025, anticipated B.A. with double major in Computer Science & Philosophy
- Lenox Memorial Middle & High School, 2020

Employment

- **Software Engineer @ Cadence Effects:** Cadence Effects is a VFX company based in New Lebanon, NY. I took a gap year to work as a full time software engineer at Cadence
- **. Programming Consultant @ Plexus Notes** Plexus is a smart note taking startup founded by a Williams College alumnus. At Plexus I created a chrome extension to improve usability.
